

### REMARKS

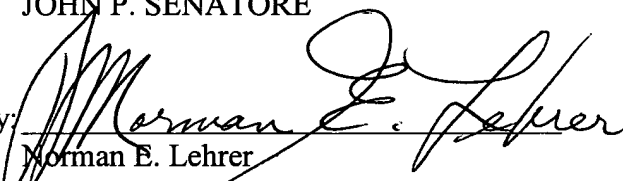

The Notice of Non-Compliant Amendment dated April 19, 2005 has been carefully studied and, in view of the above changes and the changes and representations made in the Amendment filed on February 22, 2005, reconsideration and allowance of this application are most respectfully requested.

Applicant is submitting this supplemental amendment in response to the Notice of Non-Compliant Amendment. Applicant has made the requested correction to the Amendment to the Claims section of the Amendment filed on February 22, 2005. Therefore, Applicant believes that he has complied with the requirements of 37 C.F.R. §1.121.

In view of all the foregoing, Applicant submits that all of the claims presently in the application clearly and patentably distinguish over the references of record and should be allowed. It is believed that this application is in condition for allowance and an early action toward that end is most respectfully solicited.

Respectfully submitted,

JOHN P. SENATORE
